## This year...

Slightly different this week. The children have chosen their favourite learning topic of the year!

Class 1 have had a fantastic start to their school life - they visited Baby Jesus at Polesworth Abbey, enjoyed the panto at Christmas, loved 'Longdon by the Sea', went to the Twycross Zoo and have all taken on the role of pet owner for the numerous animals that have joined class 1! What a busy year, especially when you're only 4 or 5 years old!

When Class 2 were asked what they had enjoyed over the past 12 months they started reeling off their favourite activities - the list seemed endless, it included their trips, to the panto & Twycross Zoo, the topics on 'The Great Fire of London' and 'Pirates' and they've all really enjoyed having class pets, the goldfish, the tadpoles & caterpillars/butterflies. We couldn't list all the fun things that Class 2 have done but we think it's safe to say that they've had a fantastic year!

Class 3 really enjoyed their topics this year. Their particular favourite was the Stone Age, it was during this topic of learning that the pupils took part in a Stone Age drama workshop. The children all 'took' so much away from the experience which was the highlight of Class 3's year. They also enjoyed the Romans topic finding out about this ancient group of people and how they lived. Class 3 can't wait until it's their turn to go swimming again' during school time!

Class 4 have had a busy year. They have thoroughly enjoyed rehearsing their class play 'Let's Loose' and loved performing it for the friends and family. However, the highlight of the year was... the Shugborough Education Experience - well, it had to be didn't it? The memories taken away from there will last a lifetime.
